DODGE // RAM CHRYSLER Jeep

Jeep is known for creating SUVs that can handle anything you throw at them. In fact, Jeep goes above and beyond to provide SUV shoppers with a lineup of vehicles that push the boundaries of exploration with advanced off-roading equipment, rugged design, and top-of-the-line technology.

However, each Jeep model is uniquely designed to cater to a wide variety of adventurers. In this *Buyer's Guide to Jeep Cars*, you'll find all the information you need to decide between five of Jeep's core model, which includes:

- **The 2019 Jeep Cherokee**
- **The 2019 Jeep Compass**
- **The 2019 Jeep Grand Cherokee**
- **The 2019 Jeep Renegade**
- **The 2019 Jeep Wrangler**

Below, you'll learn about what these models have to offer in terms of performance, capability, interior space, features, and much more. Read ahead to see which of these incredible Jeep vehicles is the best fit for your lifestyle!

Jeep Cherokee

Best Fuel Economy	EPA-estimated 22 city/31 highway MPG ¹
Top Power Output	270 horsepower/295 lb-ft of torque
Towing Capacity	4,500 pounds with 3.2L Pentastar® V6 engine
Standard/Maximum Cargo	24.6 cubic feet/54.9 cubic feet

The 2019 Jeep Cherokee offers three engines as well as three available drivetrain options, including the Jeep Active Drive I 4x4 System, Jeep Active Drive II 4x4 System, and the Jeep Active Drive Lock 4x4 System. Pair the capabilities of these systems with the available Selec-Terrain® Traction Management System with five selectable drive modes.

Inside the Cherokee, you'll get a variety of advanced technology features, such as the Uconnect® 4C NAV system with an 8.4-inch touchscreen, Apple CarPlay™, Android Auto™, a SiriusXM® All Access Package, and turn-by-turn navigation. Enhance connectivity in the Cherokee even more with an available 4G Wi-Fi® hotspot.

The interior of the Cherokee is also designed with comfort in mind. You and your four additional passengers will enjoy several leather upholstery options, heated and ventilated front seats, and front and rear climate-control outlets. Passengers up front will have 41.1 inches of legroom, while rear passengers will have an impressive 40.3 inches of legroom.

Pack all of your cargo into the 54.9 total cubic feet of cargo space that the Cherokee has to offer with ease using the Cherokee's hands-free power liftgate.

3

Jeep Compass

Best Fuel Economy	EPA-estimated 23 city/32 highway MPG ²
Top Power Output	180 horsepower/175 lb-ft of torque
Towing Capacity	2,000 pounds with 2.4L Tigershark [®] engine
Standard/Maximum Cargo	27.2 cubic feet/59.8 cubic feet

The 2019 Jeep Compass sports one dynamic engine, which can be paired with an available 9-speed automatic transmission, a Jeep Active Drive Low 4x4 System, and a Selec-Terrain[®] Traction Management System. With this equipment, you'll have a 20:1 crawl ratio, making it easy to conquer even the steepest hills and city streets.

The Compass is designed to take on any type of weather conditions with features like a windshield wiper de-icer, heated exterior mirrors, and rain-sensing windshield wipers. The Compass enhances confidence on the road with a variety of advanced active safety features to choose from, including Blind Spot Monitoring and Rear Cross Path Detection, LaneSense[®] Lane Departure Warning with Lane Keep Assist, and Full-Speed Forward Collision Warning with Active Braking.

Inside the Compass, you'll have five seats and plenty of tech to keep everyone comfortably entertained. You can opt for a Uconnect[®] 4C NAV system that can wirelessly stream music through an available 9-speaker BeatsAudio[™] Premium Sound System.

Jeep Grand Cherokee

Best Fuel Economy	EPA-estimated 19 city/26 highway MPG ³
Top Power Output	707 horsepower/645 lb-ft of torque
Towing Capacity	7,200 pounds with Supercharged 6.2L V8 engine
Standard/Maximum Cargo	36.3 cubic feet/68.3 cubic feet

The 2019 Jeep Grand Cherokee specializes in performance with four engine options, including a heavy-duty Supercharged 6.2L V8 engine that enables you to tow up to 7,200 pounds of trailer weight. Tow the family camper or a flatbed trailer with all kinds of home improvement project supplies with ease.

To go with this high-performance powertrain, the Grand Cherokee also offers an available Class-Exclusive Quadra-Lift[®] Suspension System. This system gives you the capability to raise the height of your vehicle in order to maximize your ground clearance for optimal off-roading.⁴

Keep tabs on your performance on and off the pavement with the available Off-Road Pages feature in your Uconnect[®] infotainment system. These pages keep you up-to-date about your vehicle's wheel articulation, transmission temperature, suspension height settings, and more to help you get the best performance possible.

This advanced Uconnect[®] system is far from the only top-notch technology feature you'll have in the Grand Cherokee. This model is also equipped with a Keyless Enter 'n Go[™] System, a 7-inch full-color Driver Information Digital Cluster Display, and a Harman Kardon[®] Premium Audio System with a 10-inch subwoofer and 19 high-performance speakers.

Jeep Renegade

Best Fuel Economy	EPA-estimated 32 highway MPG ⁵
Top Power Output	180 horsepower/210 lb-ft of torque
Towing Capacity	2,000 pounds with 2.4L Tigershark [®] MultiAir 2 engine
Maximum Cargo	50.8 cubic feet with rear seats folded

The 2019 Jeep Renegade offers two impressive engines, including a unique 1.3L MultiAir[®] Turbo engine that comes with direct injection technology for enhanced fuel economy. This engine is also equipped with Engine Stop/Start Technology, which turns the engine off to conserve fuel when the vehicle is at a stop.

The Jeep Renegade also has an edge when it comes to exterior design. Its unique cube-like design allows for expert cargo packing and can be equipped with an open-air My Sky[®] Removable Panel Sunroof to let in sunshine on your drives to work or up the mountain. You'll also have several one-of-a-kind exterior colors to choose from, such as Colorado Red, Omaha Orange, and Jetset Blue.

Inside the Renegade, you'll have all kinds of advanced tech, such as the Uconnect[®] 4C NAV system, wireless connectivity, 4G Wi-Fi[®], and navigation. Additionally, you'll get all kinds of premium comfort features, including a dual-zone automatic temperature control system and leather upholstery all around.

On top of all these advanced entertainment features, the Renegade sports a variety of helpful safety systems along with several handy parking assistants, which includes:

- **Parallel and Perpendicular Park and Exit Assist**
- **ParkSense[®] Front Park Assist System**
- **ParkSense[®] Rear Park Assist System**
- **ParkView[®] Rear Back Up Camera**

With the help of these advanced park features, you'll be able to get in and out of even the tightest parking spots. Even if your driveway has bad visibility, you'll be able to back out with ease thanks to the Renegade's advanced features.

Jeep Wrangler

Best Fuel Economy	EPA-estimated 23 city/25 highway MPG ⁶
Top Power Output	285 horsepower/295 lb-ft of torque
Towing Capacity	3,500 pounds with either engine option
Maximum Cargo	72.4 cubic feet with 4-door model

The 2019 Jeep Wrangler gives you all kinds of customization opportunities with a 2-door and a 4-door option as well as six different trim level options. No matter which one you choose, though, you'll be able to take on all types of terrain with available features, such as front and rear Tru-Lok[®] electronic locking differentials, three different 4x4 systems to choose from, and 33-inch off-road tires.

As rugged and ready as it is on the outside, the Wrangler offers a luxurious lineup of features on the inside, starting with an available Uconnect[®] 4C NAV system with a navigation system that also helps you locate restaurants, gas stations, ATMs, and more.

You'll also have a variety of comfort and convenience features to enjoy, such as heated front seats, a heated steering wheel, a dual-zone automatic temperature control system, and push-button start capabilities. Additionally, you'll have several comfortable cloth and leather seating surface options to choose from.

The Wrangler is also designed so you can keep it clean even after a day in the mud and sticks by removing the carpets and washing out the interior with a hose. Easily drain your Wrangler, then, with the one-way floor drain valves.

Get Behind the Wheel Today!

As you can see, each Jeep model is meticulously designed and equipped to take on each and every journey with poise and dependability. Whether you're heading down the highway to work, up the side of a mountain on a weekend camping trip, or across the country on an extended road trip, a Jeep vehicle is the best companion to have.

In this *Buyer's Guide to Jeep Cars*, you learned about some of the key capabilities and features that these models have to offer. While the Cherokee, the Compass, the Grand Cherokee, the Renegade, and the Wrangler differ in a variety of ways, their main objective is the same: enable you to enjoy every journey, short or long.

Now that you have a better idea of what these five Jeep models have to offer, it's time to get behind the wheel. The only way to confirm which one is the best fit for your personal needs is to take a test drive at your local Jeep dealership.

Enjoy your new life behind the wheel of your next Jeep vehicle!

¹ EPA estimated with a 2.4L engine and nine-speed automatic transmission, 4x2. Actual mileage may vary.

² EPA estimated with a 2.4L engine and six-speed manual transmission, 4x2. Actual mileage may vary.

³ Actual mileage may vary. For more information, please visit: www.jeep.com/fuelefficiency.

⁴ Based on WardsAuto Middle/Sport Utility Vehicle segment. Excludes other FCA US LLC vehicles.

⁵ Based on manufacturer estimated mpg with 1.3L engine and nine-speed automatic transmission, 4x2. Actual mileage may vary.
